

We won the 26th Annual ARTS Award!

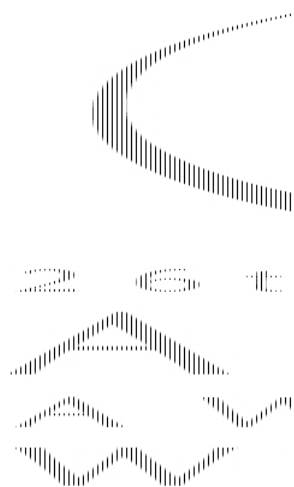

Donny Osmond was the master of ceremonies at the ARTS Award gala January 16, 2015, in Dallas, TX, where Elume was awarded the 26th Annual ARTS Award for Best Lighting Showroom in the Western United States!

The ARTS Awards is the premier international awards program dedicated to the home industry.

Everyone was in attendance -- from left, Joe Ardovino, Jen Brassey, Jerrica Jordan, Sierra Brassey, Cora Stjernholm, Phyllis Freed, Brayden Brassey, Anne Yates, Bill Pippas. This photo was taken by Nicole Bowling, Managing Editor of Residential Lighting Magazine. We felt like celebrities!

Not sure where Anne and Bill were when we walked the red carpet...but they missed out on the photo shoot!

Our acceptance speech was, well, unconventional. We have it on video, so maybe someone will help me post it on Facebook...we don't mind if it amuses you!
